1CORINTHIANS 12:12-20

“Many Parts/One Body”
1 Corinthians 12:12-20
Oscar Mariu

“At the start of the 20th Century, about 100 years ago, 90% of Christendom lived in the _____ hemisphere and only 10% was found in the southern hemisphere and eastern hemisphere. But, today, the center of Christendom now lives in the non-western world, in the hemisphere particularly.”

“Today, America, as a single country, is now considered to be the world’s _____ largest mission field.”

“Paul chose a third paradigm we see in 1 Corinthians 12, the _____, as a model of what global partnerships should be.”

1. “Being the _____ is all about interdependence, not independence”
2. “Every organ in the body _____ to other organs in the body and every organ in the body _____ from other organs in the body.”
3. “The parts of the body that seem _____ are indispensable and the parts that we think are less honorable should be treated with special _____.”
4. “There is a fourth value that Paul would teach us and it is the need to _____ one another.”

Are missionaries still needed? Should we continue to send or has enough been done? We continue to send. We need missionaries for two reasons:

1. The Great Commission still stands and it has not been retracted or _____.”
2. We are the body of Christ and we can never say, ‘We don’t _____ you.’”

“... the _____ global body of Jesus Christ.”
