GOD THE **DELIVERER** **EXODUS 19-31**

“God the Deliverer” Exodus 19-31

Throughout the Jewish Passover there are some underlying principles:

- God _____ the cries of His people.
- God is _____ in human life.
- God intervenes in history to _____ man from affliction and to _____ him from oppression.

God was demonstrating to His people that _____ was the only one who could _____ for their needs.

The book of Exodus is the pivotal story of the Old Testament ... it stands between Genesis with the creation story and the lives of Abraham, Isaac, Jacob and Joseph and the remainder of the Old Testament where God _____, _____, and _____ His people to be the people of God.

God Delivers a New Leadership Module

- _____, Moses' father-in-law came to visit Moses.
- He recognized that the way Moses was leading wasn't sustainable ... it would lead to _____ for Moses and the people of Israel would quickly get _____.
- If Moses hadn't handed off some of his responsibilities to others he wouldn't have been able to spend time with _____ on the mountain.

God Delivers the Commandments ... A social and ethical code for Israelite life

- The Ten Commandments and the Law were _____ focused.
- The Ten Commandments and the Law were very _____.
- The Ten Commandments and the Law were a standard God's Spirit _____ and _____ His people to keep.

So often I want God to be my Preventer more than Deliverer, meaning, I want Him to prevent bad things from happening in my life.

God is more often presented in the Bible as deliverer than He is preventer.

Psalm 3:7 – “Arise, O Lord! Deliver me!” Or *Psalm 22:30* – “Deliver my life from the sword” or *Psalm 72:12* – “For He will deliver the needy who cry out.”

God has not abandoned us, we have not blown it, we understand God is far more deliverer than preventer, and we can cry out with confidence, “O God, deliver me” and wait with hopeful expectation that He will deliver.
