

In the very beginning, there was only God. But everything changed when God spoke. God created the world in six days. Each day was a new surprise! *Hold up one finger.* On the first day, God said, "Let there be light." The light shone super bright! He parted the light from the dark. He called the light "day" and called the dark "night." God said it was good. Let's clap our hands and say that together! "It was good!" *Clap, clap, clap.*

Hold up two fingers. On the second day, God spoke and parted the water from the sky. God saw...it was good! *Repeat with kids.* It was good! *Clap, clap, clap.* *Hold up three fingers.* On the third day, God spoke and put the water together to make seas. And then He made dry land. He put all kinds of plants on the land. From big trees to pretty flowers to the fuzzy grass that tickles your feet. God created them all! God said it was good! *Repeat with kids.* It was good! *Clap, clap, clap.*

Hold up four fingers. On the fourth day, God made the sun and the moon. He made all the stars that twinkle in the sky. God said, it was good! *Repeat with kids.* It was good! *Clap, clap, clap.*

Hold up five fingers. On the fifth day, God created all the animals that live in the water. He made fish, sharks, whales and starfish! But He wasn't done! God also made birds! He made eagles, flamingos, hummingbirds and every kind of bird. He blessed them all and told them to fill the whole earth. God said...it was good! *Repeat with kids.* It was good! *Clap, clap, clap.*

Hold up six fingers. On the sixth day, God created every kind of animal that lives on the earth, from the big elephant to the tiny ant and everything in between. He saved His most special creation for last. God created the very first people—a man and a woman. God saw everything He had made and this time He said it was very good. *Repeat with kids.* It was VERY good! *Clap, clap, clap.*

Hold up seven fingers. On the seventh day, God rested. God made all of creation, and He rules over all of it. Everything God made shows us how good God is! The Bible teaches us that God created the world and that He holds it all together. He rules over everything He made. He is powerful and great. God is our Creator.

HE God is the Creator.

WE God created us.

ME God created me.
