

God spoke and made the whole world and everything in it. God saved His most special creation for last. God made people in His own image. He made a man from the dust of the earth. God breathed His very own breath into the man, and the man came to life. His name was Adam.

God put Adam into a perfect garden filled with lots of beautiful trees and delicious fruit to eat. There was a tree called the tree of knowledge good and evil. God told Adam, "Do not eat from this tree!" *Shake your finger no.*

Then God said, “It is not good for this man to be alone.” God brought every animal and every bird to Adam. Adam named each one. But there was not one that could be a good helper for Adam. So God made Adam fall asleep. Close your eyes and then open them! God took one of Adam’s ribs and made it into a woman. Her name was Eve.

Adam and Eve were the very first people!
Everyone say, hooray! God made them
in His image and loved them very much.
They were His most precious creation of all.
People are the reason Jesus came to Earth.
God loved people so much that He sent
Jesus, so we can be forgiven of our sins and
live with Him forever.

HE God made people.

WE God loves us.

ME God loves me.
