

Adam and Eve were the very first people. Hold up one finger! They lived in a beautiful place called the garden of Eden. It was filled with all kinds of plants and trees. But there was one tree called the tree of knowledge of good and evil. God said, do not eat from this tree. Shake your finger no. God told Adam and Eve they could eat from all the other trees in the garden.

Now there was a serpent who was tricky and sneaky. Shhhhhh. The serpent said to Eve, "Did God really say you can't eat from these trees?" Is that what God said? No! Eve told the serpent that God said they could eat from all the trees but not from the tree of knowledge of good and evil.

The serpent told Eve, “Nothing bad will happen. God just knows if you eat the fruit, you will be wise like Him, and God doesn’t want that.” Eve saw how good the fruit looked. Then she took the fruit, and...she ate it! She gave some to Adam, and he ate it too! Say “Oh no!”

Right away, they felt bad for what they had done. They hid from God. As God walked through the garden, He called out to Adam. Adam told God he ate the fruit and blamed Eve. Eve said it was the serpent's fault. Now everything was different.

Because of what Adam and Eve did, the perfect world God had created was broken. They would have to leave the garden. One day, God would send a Rescuer who would destroy the bad things and make God's world perfect again. God is perfect and holy. Adam and Eve sinned. Sin is anything we think, do or say that disobeys God. But God had a plan to send Jesus to die on the cross so we could be forgiven and be close to God.

HE God is holy.

WE We sin.

ME I sin, but God forgives.
