

THE GENEALOGY OF JESUS

BIBLE PASSAGE: Matthew 1:1–17

FOCUS VERSES: Isaiah 7:14, Romans 3:23, Romans 8:28

Summary: Family histories were important in Bible times. The New Testament begins with the genealogy of Joseph's family. The listing shows that Jesus is a descendant of Abraham and David, just like God had promised. Jesus' family members were not perfect. They were human and had their challenges, just like our families. Jesus was the Son of God, born to a human family. He is fully man and fully God.

MONTHLY *Memory Verse*

For unto you is born this day in the city of David a Savior, who is Christ the Lord.

(LUKE 2:11)

Jesus brings hope.

We will go deeper in God's truth by answering these questions:

DID GOD ALWAYS HAVE A PLAN TO RESCUE HIS PEOPLE?

God had a plan from the beginning to send Jesus through an earthly family to save people from sin.

WHY AREN'T FAMILIES PERFECT?

Every person in every family sins and needs a Savior. We can have hope because God uses imperfect families for His perfect plan.

HOW IS GOD INVITING ME TO RESPOND?

Kids will reflect and respond to the truth they learned about God.

Leader TRAINING

LEADER TRAINING TOPIC: THE OVEREXTENDED FAMILY

Kids' schedules are as packed, if not more so, than the schedules of the adults caring for them, and some caregivers simply have more going on than they have time for each week. So instead of focusing on when they are absent, let's celebrate the wins when they make it to church.

- **Celebrate Church Attendance.** Instead of texting when their kid misses church, text this caregiver on a day their kid attends and share what a privilege it is to have their family with you. Choose to celebrate their presence.
- **Applaud the Progress.** Try to catch this caregiver at drop-off or pick-up and share with them ways you see God really working in their kid's life. Celebrate the important role their kid plays in your group, and what a joy it is to have them there.
- **Meet them Where They Are.** If you know this caregiver is at the ball field three nights a week, grab a coffee/snack and go there to cheer them on, and connect with them.

NAVIGATING A BROKEN WORLD: FAMILY DRAMA

Surveys reveal that nearly 25 percent of Americans are estranged from family members.* These disconnects impact kids' relationships with grandparents, aunts, uncles, and other extended family. It is likely that the kids in your group come from a wide range of family backgrounds. Remember that every family has dynamics that are unique and often unknown to others. As you discuss Jesus' family and background in today's lesson, be aware that some kids have positive impressions of extended family and some families may be drama-filled. Give kids a safe space to share about their families. Remember, if a kid shares something that raises concern of neglect or abuse, immediately follow your church's policy for reporting. Help kids discover that no family is perfect, including Jesus' earthly family. Families are made up of people who sin, and that is why we all needed Jesus to come.

Bible TEACHING

THE GENEALOGY OF JESUS MATTHEW 1:1-17

PRAY: God, You sent Jesus to Earth through a real family—a family full of not-so-perfect people. If You can use them, You can use us! Help us listen and hear Your truth today. Amen.

SUPPLIES:

Bible, teaching slides, printable pages, scissors, 1 roll of green crepe paper, ornament hooks (1 pack), hole punch, tape

PREP:

Print the printable pages and cut out. Punch holes in the top of each ornament and secure hooks to top of each one.

LEADER TIP:

When selecting volunteers to wrap the crepe paper, make sure everyone involved is the same gender.

Say: Today we are talking about Jesus' family tree! A family tree is a picture that represents all the members of a family across many generations. And since we are talking about Jesus' family tree, and it is December, I think we should make our own Christmas family tree! First, we need a volunteer who can stand as still as a tree.

Call an older kid to the front to be the "tree." Have them stand with their arms at their side as still as possible.

Say: Now we need two volunteers to turn our volunteer into a tree!

Select two volunteers to wrap the "tree" in green crepe paper from head to toe, making sure not to cover their mouth and nose. Use tape to secure the crepe paper. Your two new volunteers can sit down after wrapping.

Say: Finally, I need more volunteers to hang some special ornaments on our tree.

Select up to 11 volunteers to hang the "Jesus' Genealogy Ornaments" on the crepe paper.

Say: Family was extremely important to the Israelite people, and knowing their genealogy, or lists of family members, was important too. The second half of the Bible, the New Testament, begins this way:

Read Matthew 1:1 directly from the Bible: *The book of the genealogy of Jesus Christ, the Son of David, the Son of Abraham.*

Bible TEACHING CONTINUED

Say: This genealogy, or list of Jesus' family, shows God's faithfulness to keep the promises He gave in the Old Testament. He had promised that the Savior would come from the families of Abraham, Isaac, Jacob, Judah and David. God had a plan from the beginning to send Jesus through an earthly family to save people from sin.

As you mention Abraham, Isaac, Jacob and Judah, remove each ornament and show it to the kids. Do not show David yet. Then hang the ornaments back on the crepe paper.

Say: Matthew lists all of these men in Jesus' family history. God showed that Jesus was the true Savior because He was their descendant, just like God had promised.

Say: Jesus' family also shows that God's plan couldn't be stopped by people's mistakes. Some of the people listed in the genealogy of Jesus' family had messed up in big ways. Some had lied. Several deceived others. King David even had a man killed so he could steal his wife and cover up his own sin.

Show teaching illustration: King David.

Take the David ornament off the tree and show the kids, then hang it back on the crepe paper.

Say: Jesus' earthly family was not filled with perfect people. They were humans, just like you and me, who sinned and needed a Savior.

Say: God reminds us through the record of Jesus' family that all people are important to Him and part of His plan. The list includes four women, and women were never included in ancient genealogies. Matthew included names like Tamar and Bathsheba.

As you mention Tamar and Bathsheba remove each ornament and show it to the kids. Then hang the ornaments back on the crepe paper.

Say: Jesus' family also included Ruth and Rahab who were not Israelites but were women whom God used in big ways and brought into His family.

As you mention Ruth and Rahab remove each ornament and show it to the kids. Then hang the ornaments back on the crepe paper.

 (CONTINUED)

Bible TEACHING CONTINUED

Say: The list also includes people we don't know anything about, but they were a part of His perfect plan.

As you mention people we don't know about, remove the Azor and Achim ornaments and show them to the kids. Then hang the ornaments back on the crepe paper.

Say: Finally, Jesus' family history shows that He was real and He was human.

Show teaching illustration: Family Line.

Say: Jesus had a real family who really did live in history. There is a record of His human ancestors. He was a real person. He would be fully God, but He would also be fully human so that He could be the perfect sacrifice for our sin.

Take the Jesus ornament off the tree and show the kids. Continue holding during the Point to Jesus section.

Show teaching slide: Point to Jesus.

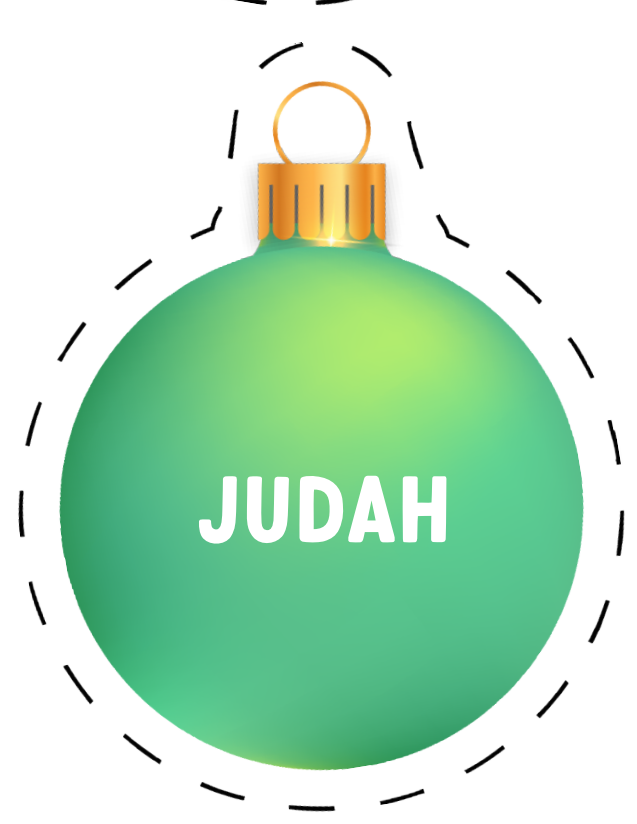

POINT TO JESUS

Say: Jesus came to Earth as a real person. He came as a baby and grew up just like everyone else. However, He is fully human and fully God. As a human He could take our place and take the punishment for our sin. But only God could have the power to defeat death and sin and make a way for us to live with Him forever. Jesus was fully human and fully God so that He could be the perfect sacrifice for our sin when He died on the cross.

PREP: Print the printable pages and cut out. Punch holes in the top of each ornament and secure hooks to top of each one.

ACTIVITY WRAP-UP:

God knew He would send His Son to rescue us right from the beginning! God's plan was set long before Jesus was born, though it was revealed over time through the people God used.

Discipleship DISCUSSION

WHAT DOES THIS MEAN FOR FOLLOWERS OF JESUS?

Discuss: How does this true story from the Bible show us that God is good?

Say: God sent Jesus to grow up in a human family, just like we do. He gave us a Savior who knows what it is like to be human—to have a little brother, to have to obey your parents, to have to sit at the dinner table. God loves us so much, He sent Jesus to not only save us but to also show us He understands us.

Read Philippians 2:7 directly from the Bible: *but emptied Himself, by taking the form of a servant, being born in the likeness of men.*

BUT WHAT ABOUT ... FAMILY DRAMA?

Discuss: Is there such a thing as a perfect family? Why or why not?

Discuss: Have you ever known family members who didn't get along?

Discuss: What does God have to say about that?

Say: You may have family members who don't get along. You might even struggle to get along with some of your relatives yourself. It is normal for families to have challenges. Families are made up of people. All people sin and mess up. People tend to hurt each other, especially people who are close to them. So what do we do? Romans 12:18 says: *If possible, so far as it depends on you, live peaceably with all.* In other words, do all that you can to keep the peace. Sometimes, though, the situation is out of your control. You can also pray for your family members and ask God to work in everyone's heart. Most of all, you can trust that God knows and loves your family. He has a great plan, even when there is drama.

6. **Read:** Romans 3:23.
7. **Say:** No family is perfect. We may argue with our siblings, grown-ups make mistakes and life can get hard. All our families need a Savior.
8. **Read:** Romans 8:28.
9. **Say:** The Bible promises us that all things, even our families, will work together for His good and perfect plan.
10. *Give each kid a piece of paper and coloring supplies.*

TAKE-HOME

THE GENEALOGY OF JESUS

THE GENEALOGY OF JESUS (MATTHEW 1:1-17) Family histories were important in Bible times. The New Testament begins with the genealogy of Joseph, showing that Jesus is a descendant of Abraham and David, just as God promised. His family wasn't perfect, but Jesus, born into a human family, is fully man and fully God.

POINT TO JESUS: Jesus came to Earth as a real person, fully human and fully God. As a human, He took our punishment for sin; as God, He defeated sin and death, becoming our perfect sacrifice when He died on the cross.
