

Mary was going to have a baby! She was going to marry a man named Joseph, but he wasn't so sure it was the right thing to do. He didn't yet know what God was doing. Can you shrug your shoulders and say, "He didn't know!"

Joseph was sleeping. Can you give me three big snores? An angel of the Lord came to Joseph in a dream. The angel said, "Don't be afraid to marry Mary! The baby is from God. She will have a Son. You will name Him Jesus!"

This was really good news! Joseph learned that God sent Jesus to the world. Jesus came to love people and forgive people of the things we do wrong. Because of Jesus we can be close to God! Everyone shout, "Good news!"

When Joseph woke up from this amazing dream he went to Mary. They got married and Joseph did everything the angel of the Lord said to do. Let's give each other high fives and say, "Yay Joseph!"

Mary had the baby and He was named Jesus! That baby grew up and died on the cross for us. Jesus saves everyone who believes in Him.

HE Jesus is hope.

WE We can have hope in Jesus.

ME I can have hope in Jesus.
